

Music

“Music can change the world because it can change people.”

Bono

Course content

In Year 7 Music you will explore and develop skills on the keyboard, percussion (Djembe and Cajon), ukulele and your vocals. After learning and refining skills on each of these instruments you will learn, rehearse and perform music in ensembles and compose your own pieces of music. You will listen to and explore key pieces of music across a range of styles.

Skills developed

- Instrumental skills
- Reading music in different ways
- Team work

Topics covered

- Keyboard
- Percussions
- Vocals
- Compose music
- Different styles of music
