

Language Option

“A man who knows two languages is worth two men.”

French proverb

Course content

The focus in Year 9 French or Spanish is developing pupils’ linguistic knowledge in the four attainment areas. Pupils will develop their ability to speak spontaneously and they will develop a greater grammatical understanding of the language. The course also touches on some cultural and historical elements, allowing pupils to broaden their cultural awareness of France or Spain.

Skills developed

- Speaking
- Reading
- Writing
- Listening

Topics covered

- House and home
- School
- Holidays
- Local area
