

Citizenship

Course content

Citizenship underpins everything done at Carr Manor Community School. It is primarily taught through Restorative Practice and during Coaching time and equips the pupils with knowledge, skills and understanding to prepare them to play a full and active part in society. In particular, citizenship education develops pupils' awareness and understanding of democracy, government and how laws are made and upheld. Pupils are given the opportunity to explore political and social issues critically, to weigh evidence, debate and make reasoned arguments. Pupils at Carr Manor are well prepared to take their place in society as responsible citizens, manage their money well and make sound financial decisions.
