Numeracy

Can you find the number 4 in the environment?

Can you find all the four sided shapes?

Understanding the World

This week we have been talking about what the sun is made of—can you tell your adult?

Can you create your own sun and draw the planets around it?

Phonics: Rhyme

This week we have been practising phase 2 sounds 'i' and 'n' and tricky word 'my'.

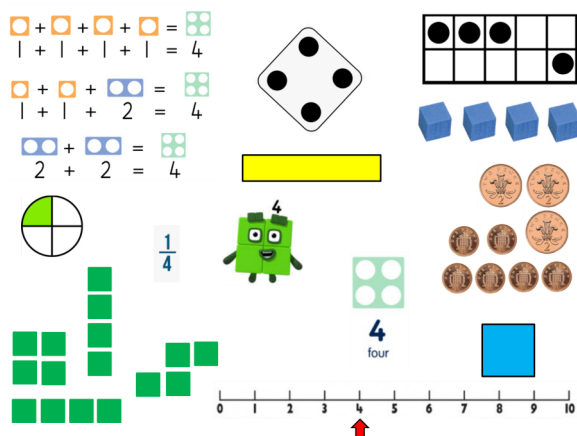

- Can you try reading and writing CVC words in the phonics game?
- Can you write your own simple sentence using the tricky word 'my'?

Handwriting

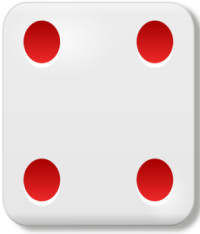

This week we have been practising writing the letter 'n' in handwriting.

Can you use the pattern and practise this letter, ensuring you are doing leading lines, on the sheet sent home?

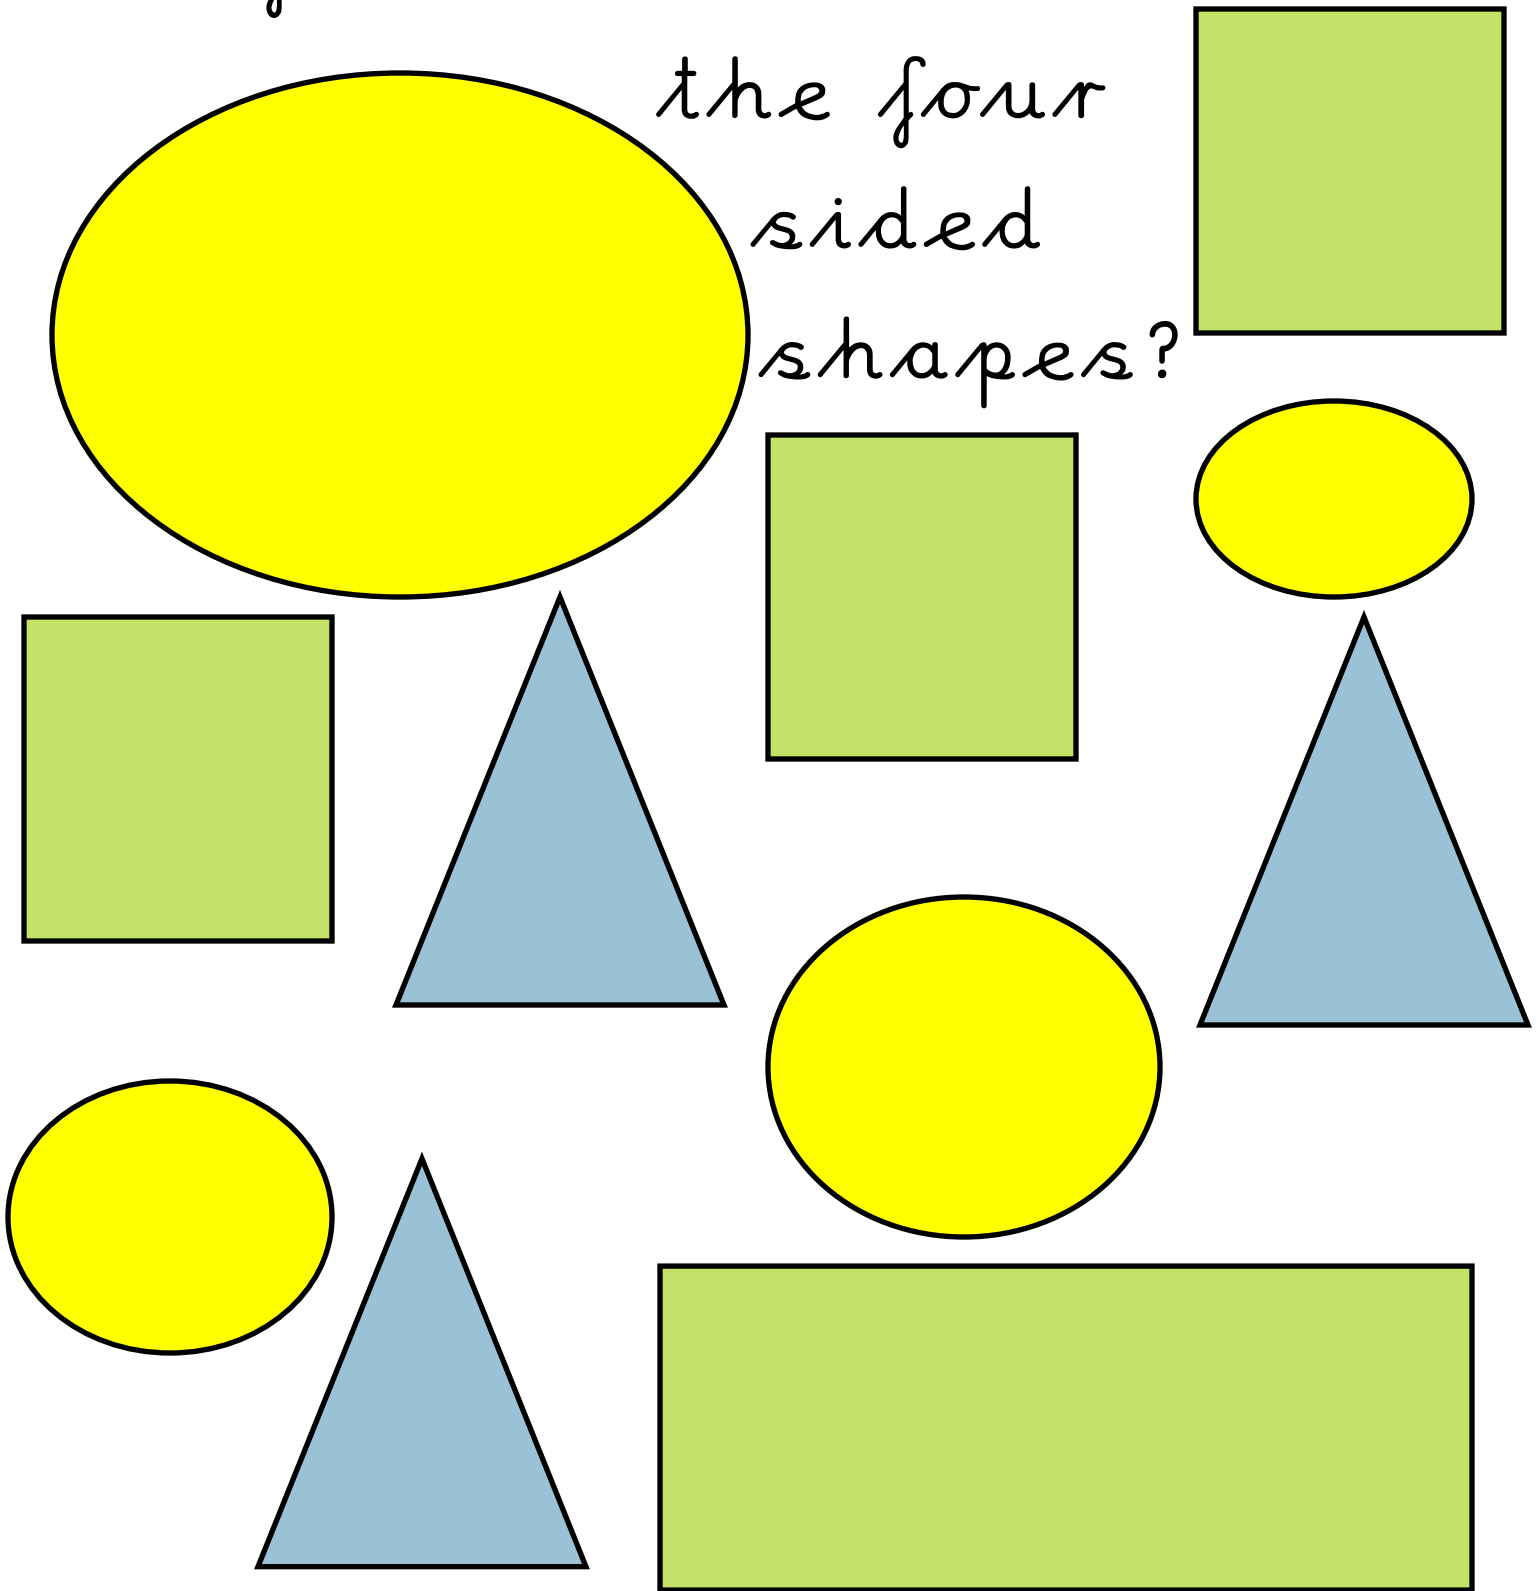

Number of the week

Roll the die. Whichever number it lands on can you read and write that word?
