

Please practise joining your letters using diagonal half height joins and washing line joins:
should, would, could, people, some.

Spellings to practise this week

The 'l' sound spelt 'il' and 'al'.

pencil, fossil
nostril, pupil
metal, pedal
capital, hospital
animal, oval

English Challenge
This week we have been learning about persuasive writing. Can you choose something in your house and persuade someone they need to buy it? Remember to use questions and descriptive language.

Numeracy Challenge

We are continuing our learning about multiplication and division. Please play on 'hit the button' and practise your division facts. Explain to someone in your family how you would solve these calculations:

$$\begin{array}{cccccc} 12 \div 2 = & 18 \div 2 = & 24 \div 2 = & 25 \div 5 = & 40 \div 5 = & \\ 60 \div 5 = & 45 \div 5 = & 80 \div 10 = & 120 \div 10 = & 12 \div 3 = & 18 \div 3 = \end{array}$$

This half term's big learning question is...

Our learning project is - Why did The Titanic sink?

How you choose to present your home learning project is up to you! You could present it on a computer program, as a model, as a piece of writing or artwork! Be creative and have fun!
