English Challenge
This week we have been learning about explanation texts. Can you write a explanation text about 'how to use' something in your house? This could be electrical items, favourite games or your favourite toys.

Numeracy Challenge

In Maths we have been learning about fractions. Can you show some examples of making $\frac{1}{2}$, $\frac{1}{4}$, $\frac{2}{4}$ and $\frac{3}{4}$ with different objects? Be as creative as you can!

This half term's big learning question is...

Our learning project is - Why are our House teams so important to our school?

How you choose to present your home learning project is up to you! You could present it on a computer program, as a model, as a piece of writing or artwork! Be creative and have fun!
