

Further Learning is a key part of your child's development and strengthens the links between home and school. Please encourage your child to be an independent learner with their Further Learning.

English Challenge

This week we have been continuing our learning about poems. Can you make a rhyming string at home? Pick a word and see how many words you can think of that rhyme with it. Are there any words that you find that cannot rhyme?

All term we have been focussing on using our neat handwriting, capital letters, full stops, exclamation marks and questions. Can you write a diary about your holidays including all of these things?

Dates for your diaries

Golden Acre Park trip
16th and 17th April
Sam's Safaris-
Wednesday 24th April

Maths Challenge

Have a go at practising some key skills this holiday.

Can you spell the numbers written as words from zero to twenty?

Can you recite your number bonds to 120?

Have a go at finding halves and quarters of a number!

How high can you count?

Spellings

Children who can spell well are often more confident writers.

They are more likely to write their ideas quickly and fluently as they don't need to worry about whether or not their spelling is correct. They are also likely to be more adventurous with the words they use to express themselves. Have a go at practising these spellings.

Year 1
