

Year: 4

Date: 29/3/2019

What is Further Learning?

Further Learning is a key part of your child's development and strengthens the links between home and school. Please encourage your child to be an independent learner with their further learning. You can support your child by encouraging them to be a growing brain and try their best!

Each week we will be sending a maths and English challenge for your child to complete. These are the non negotiable within your child's year group which are considered the core objectives a child needs to achieve in order to make good progress in learning the following year. When children hand in the home learning books each week, we will celebrate all the learning and practise children have done as a class.

As well as weekly English and Maths challenges, we will also be sending a half termly home learning project which links to the learning project we are covering at school. This is to be handed in during the last week of each half term.

Easter Holiday Challenges

Reading Challenge

Read every day, get an adult to initial the form on the back and earn a Dojo point for each one. (17 Points available there)

Maths Challenge

Practice your times tables over the holiday, all the way from 1x1 to 12x12. For each times table you can recite off by heart when you come back you will earn 3 Dojos (That's 36 points in total!)

You could earn 53 points on your first day back!

Reading Challenge
