

Expressive Arts

“To express yourself needs a reason, but expressing yourself is the reason.”

Ai Weiwei

Course content

Expressive Arts is about exploring Dance, Drama, and Music and seeing how these different disciplines link together. In the course pupils get the opportunity to work in each of the different disciplines and across them developing skills in each and at times specialising in an area. Pupils work through topics exploring different techniques and styles in each area before bringing these skills together to give a performance.
