

30<sup>th</sup> June 2020

Dear Parent/Carer,

Study Schools are unique to Carr Manor Community School and allow the pupils in Year 9 to select areas and subjects of interest to immerse themselves in. Pupils follow two Study Schools before using the learning and experiences within these areas to select their option choices for Year 10 and 11.

This is an important choice for the Year 8 pupils and in order to help guide them, we have produced a video giving a more in-depth explanation of Study Schools, what the pupils will experience within them and how to select their choices.

In order to select the two Study Schools (and a reserve), an online form needs to be completed. To check and verify the pupil completing the form, it will ask for the pupil's name, date of birth and coach. The information video and the option form can be found on the school website ([www.carrmanor.org.uk](http://www.carrmanor.org.uk)) in the **Latest News** section (Study Schools). The deadline for completing the Study School option form on the website is **Wednesday 8<sup>th</sup> July at 12.00pm**.

If you have any questions or queries, please discuss them with your child's coach or Year Manager, Mr. Booth.

Yours sincerely,

Mr G Vardy  
Senior Leader – Foundation and Vocational subjects.
