

Remote Learning: Years 7, 8 and 9

how to access learning materials using email

To ensure that learning continues throughout a period of self-isolation, remote learning activities will be provided by your teachers. These will be emailed to you using your new Office365 school email account.

What remote learning will I receive?

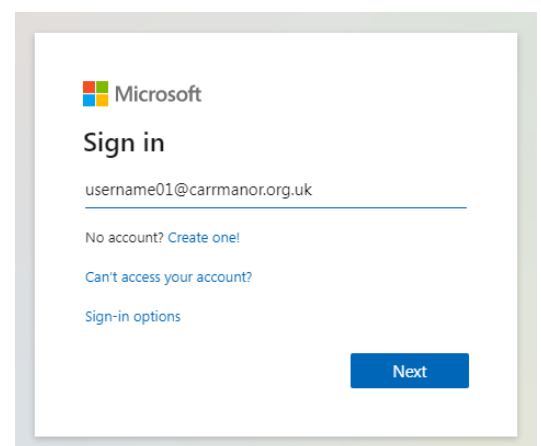

- Each of your teachers will provide at least one task per subject, per week by email.
- Any learning materials used in the lessons that you are missing (eg. presentations, videos etc) that could help you learn whilst at home, will also be emailed to you.
- Further Learning tasks will continue to be available on the school website (www.carrmanor.org.uk/further-learning).

What do I need to do?

- Log in to your school email account daily to check for emails from teachers.
- Complete one task per week per subject and send this work by email to your teacher.
- Look at the learning materials used in the lessons you are missing and where possible complete any tasks.
- If work needs to be provided on paper instead of email, let your Year Manager know by calling the school.
- Complete all of the required and enhanced Further Learning on the school website (www.carrmanor.org.uk/further-learning).
- Continue to use HegartyMaths, Educake and other online learning tools.

How do I log into my school email account?

- 1) On a phone, tablet, or computer, go to www.office.com and click on the Sign In button.
- 2) Type in your school computer username followed by @carrmanor.org.uk (eg. username01@carrmanor.org.uk), then click the Next button.
- 3) Type in your usual school password.
- 4) Once logged in to Office365, you can click on the Outlook button to see your emails.

What if I can't remember my school username or password?

Either call the school on 0113 3368400 or send an email (from any email account) to remoteteaching@carrmanor.org.uk to ask for help.

Can I email my teachers?

Yes, open a new email and click in the **To** box, then just start typing your teacher's surname and their details will appear. You can also reply to an email that a teacher has sent you.

What are all of the other apps in my school Office365 account?

Your Carr Manor Office365 account gives you access to a range of online tools that will support your learning, including:

Outlook
Email and calendar.

OneDrive
A place to store your files.

Word
Create and use documents.

PowerPoint
Create and use presentations.

Excel
Create and use spreadsheets.

Teams
Complete Independent Learning assignments.
